

### § 330.703

### 5 CFR Ch. I (1–16 Edition)

over any other candidate from outside the agency's current competitive service workforce for the vacancy, unless the action to be taken is listed as an exception under § 330.707.

*Vacancy* means a vacant competitive service position at grade GS-15 (or equivalent) or below to be filled for 121 days or more, including extensions.

#### **§ 330.703 Agency responsibilities for deciding who is well-qualified.**

(a) Agencies must define “well-qualified” for their specific vacancies, consistent with this subpart, and uniformly apply that definition to all ICTAP eligibles being considered for the vacancy.

(b) Agencies must conduct an independent second review and document the specific job-related reasons whenever an ICTAP eligible is determined to be not well-qualified for the vacancy under the agency's definition. An agency must give the ICTAP eligible the written results of this review as required by § 330.706(d).

#### **§ 330.704 Minimum criteria for agency definition of “well-qualified”.**

(a) At a minimum, agencies must define “well-qualified” as having knowledge, skills, abilities, and/or competencies clearly exceeding the minimum qualification requirements for the vacancy. The agency definition may or may not equate to the highly or best qualified assessment criteria established for the vacancy; however, the agency definition of “well-qualified” must satisfy the criteria in paragraph (b) of this section.

(b) Under an agency's definition of “well-qualified,” the agency must be able to determine whether an ICTAP eligible:

(1) Meets the basic eligibility requirements (including employment suitability requirements under part 731 of this chapter and any medical qualification requirements), qualification standards (including minimum educational and experience requirements), and any applicable selective factors;

(2) Is physically qualified, with or without reasonable accommodation, to perform the essential duties of the position;

(3) Meets any special qualifying conditions of the position;

(4) Is able to satisfactorily perform the duties of the position upon entry; and

(5) At agency discretion, either:

(i) Rates at or above specified level(s) on all quality ranking factors; or

(ii) Rates above minimally qualified in the agency's rating and ranking process.

#### **§ 330.705 Applying ICTAP selection priority.**

(a) An agency must not appoint any candidate from outside its permanent competitive service workforce if there is an ICTAP selection priority candidate available for the vacancy, unless the personnel action to be effected is an exception under § 330.707.

(b) ICTAP selection priority applies to a vacancy that:

(1) Is at a grade or pay level with a representative rate no higher than the representative rate of the grade or pay level of the ICTAP eligible's current or last permanent position of record;

(2) Has no greater promotion potential than the ICTAP eligible's current or last permanent position of record;

(3) Is in the same local commuting area as the ICTAP eligible's current or last permanent position of record; and

(4) Is filled during the ICTAP eligible's eligibility period.

(c) An agency may appoint any ICTAP selection priority candidate for a vacancy.

(d)(1) After an agency announces the vacancy and meets its obligation to any ICTAP selection priority candidates, the agency may appoint any other candidate from outside its current permanent competitive service workforce, under appropriate staffing procedures.

(2) An agency may make additional selections or reissue selection certificates in accordance with its merit promotion program without re-advertising for ICTAP eligibles only if the additional selections are made from the applicant pool established by the original vacancy announcement, including re-advertisements for the same vacancy, under which ICTAP eligibles had an opportunity to apply.
